November 3, 2024
24th Sunday after Pentecost

WELCOME TO WORSHIP! We are glad YOU are here!

Are You a Visitor or Guest? We welcome you in the name of our risen Savior and we rejoice that you are here today to praise God with us. Please complete a **CONNECTION CARD** in your pew. Either place it in the offering plate or give it to one of our pastors so we can serve you better.

Holy Communion—We believe that Christ is present in this meal freely given to all who are baptized. Please approach the altar as directed. Receive the host and then dip the host (*gluten free wafers are available for the asking*) into either the red wine or the white grape juice and eat, or place the host in your mouth then pick up a cup of either the red wine or the white grape juice and drink. Deposit your empty cup in the basket at the end of the line. All children are invited to come forward for a blessing if they do not normally receive communion. Return to your seat (or pause at the altar) for a time of prayer. If you are unable to come to the altar and would like communion in your pew, please let an usher or a pastor know.

Large Print Service Slide Booklet—do you have trouble seeing the screens? We do have the slides printed in a notebook for those who need it. Please ask an usher by the sanctuary doors for the notebook. Please return the notebook at the end of worship.

Hearing Assistance— We have a limited supply of hearing devices available for use. If you feel you need one, please see the sound booth attendant at the back of the sanctuary.

Some things Gen Z and Boomers agree on:

1. “I’m not downloading an entire app to use your menu.”
2. “I don’t need a subscription for everything. No, you don’t need my phone number or email! Just let me buy my shirt and get out of the store.”
3. I don’t really know if this is a boomer opinion per se, but you don’t need to document everything you do and put it to social media. Sometimes it’s better just to live in the moment and enjoy what’s happening around you.”
4. “Basic home appliances (e.g., fridge, washer-dryer) do NOT need a touchscreen.”
